What to bring: Be prepared for cool evenings, and warm days. The elevation is 5,500 feet, and your body needs lots of fluids at this altitude. Bring water bottles or sport bottles to fill. Bedding, linens, and towels are provided in each guestroom. But do bring towels for the swimming pool, and beach or camp chairs for around the pool & volleyball areas, and cash for the snack bar and coffee house. FYI: The coffee house takes cards now too. Even Apple Pay on your phone!

What to expect: Calvary Chapel Conference Center is a beautiful mountain retreat center featuring a Bible bookstore, snack shop, indoor game room with air hockey, foos ball, pool tables, ping pong tables and games. Expect a relaxed schedule with inspiring times of worship and study each morning and evening, and lots of free time in between. Expect an awesome kids program that includes Bible lessons, crafts and games designed for all age levels, from the little ones on up. Enjoy the heated swimming pool, join in playing volleyball and relax surrounded by beautiful mountain pines. Stay in nice, hotel-style rooms with a bathroom, dresser and desk. Each room features a double bed, two single beds and single bunk bed and includes linens, pillows and one set of towels. Free Wi-fi is available.

Children's Program: For kids 3 and under, babysitting and activities are provided during the morning and evening sessions. Parents with children using the nursery also have access to a nursing mom's room inside the main auditorium. For children in Pre-K thru 5th grade, classes and activities are provided during the morning and evening sessions in a fun VBS style format. The Junior High and High School will have their own summer camp style format during the morning and evening sessions. A few of our sessions will provide a time for family worship, with parents and kids together in the main auditorium.
