**V.1 Now Peter and John went up together to the temple at the hour of prayer, the ninth hour.{ 3pm**

**A) Here we find the apostles continuing in the normal routine of Judaism – Temple 3 times a day to pray**

**B) Why? Christianity was not meant to replace Judaism it was meant to fulfill it!**

**1) They were aware that the new faith and the old discipline could walk hand in hand**

**C) So they continued with the same disciplines in going to the temple and prayer – new meaning**

**1) Religion was replaced by relationship – Practice with a person.**

**The Jewish day began at 6 o'clock in the morning and ended at 6 o'clock in the evening.**

**B) It was called the Beautiful gate for a reason – It was very pretty –**

**E) He was a broken man in more ways than one.**

**So that might have been part of the reason why Peter wanted eye contact – the guy was looking down**

**A) But I think it was more than that -**

**B) Peter says LOOK AT US! - Do we look like guys with money – { Pull pockets out of his pants**

**V.7 And he took him by the right hand and lifted him up, and immediately his feet and ankle bones received strength.**

**8 So he, leaping up, stood and walked and entered the temple with them — walking, leaping, and praising God.**

**Picture this scene The poor man knew he could not walk, so he did not budge.**

A) But Peter, doing a typically Peter thing, grabbed him by the right hand and began to hoist him up.

B) At that moment (the Greek says, “*instantly*”) everything came together.

C) Remember Luke – is a Doctor – He uses – some medical terms here. –

HRS passed – Lieutenant & young lady attraction

Tunnel – dark – Kiss / followed by a slap

**As the train emerged from the tunnel, the four travelers looked at one another with a variety of expressions.**

The young lady was delighted that the lieutenant would kiss her at that moment, but puzzled as to why her grandmother would slap him.

**The grandmother was angry that the lieutenant had the audacity to kiss her granddaughter, but grateful to the general who slapped the young man in line.**

The general was proud of his lieutenant for kissing the young lady, but confused and smarting from the slap of the young girl.

The lieutenant was hardly able to contain the laughter within him, as he alone knew what had actually transpired in the tunnel.

Under the cover of darkness, he had seized the moment **to kiss the girl and smack the general.**

**Seize the moment, folks!** Watch for the moment of the miraculous when the Lord will use you in this dark tunnel of time to slap the Enemy in the face, as you heal a hurting world.
